capers mayonnaise 1 tsp sour cream
pepper salt 2 Tsp Styrian Pumpkin Seed

Preparation

Half the hard-boiled eggs without peeling them and remove the egg yolks. Chop the anchovies, cooked fish or chicken and the capers finely. Mash the yolks, combine with the ingredients and season well. Fill the empty egg whites with the mixture (this works well with a pastry bag) and garnish with fresh herbs. Tip: Eatable flowers are also a wonderful decoration.
